### **Essay Questions**

#### **1. Tackling Real-Life Problems:**

Imagine you're a superhero with the power to fix a real-world problem like health care, the economy, discrimination, homelessness, or any topic you're passionate about. What creative ideas do you have to make things better? How would you contribute to positive changes in our world?

#### **2. School and Me:**

Think about your time in school. How has it made you who you are today? Can you share a cool or surprising thing you learned, or a moment that really shaped you? Tell us about how school has influenced your personality and what you care about.

#### **3. Money Matters for School:**

Let's talk money! If you got a scholarship, how would it help you with school expenses? What impact would it have on your education? Feel free to share how this scholarship would make a difference in your journey through high school and beyond.
